

S-100

PVC Solvent Cement

The Bond That Is Built To Last

S-100 PVC Solvent Cement

OCI® S100 PVC Solvent Cement is a high quality solvent cement, it is waterproof and fast cure adhesive, widely used for joining rigid PVC, CPC and uPVC pipes and fittings.

OCI® S100 PVC Solvent Cement is safe for use with potable water pressure systems and ideal for irrigation, industrial piping, sewer, SWR and DWV systems.

*note:
SWR: Soil, Waste, Rain
DWV: Drain Waste Vent

Specification

Product	Color	Packaging	Shelf Life
PVC S100 SOLVENT CEMENT	Clear	100gr/can 500gr/can	12 months from the date of manufacture

Application

Common PVC Pipes

Residential Plumbing

Industrial Plumbing

SILICONE SEALANT

The Bond That Is Built To Last

SILICONE SEALANT

ORGASIL 103 & N193

OCI silicone sealant is a high performance one part silicone sealant. It is inherently waterproof, and extensively used in broad range of domestic, commercial, and industrial purposes.

It exhibits an excellent adhesion to a wide variety of substrates such as glass, plastic, fiberglass, aluminum, steel, ceramic, tiles, bricks, concrete, non oily woods, plasterboard.

OCI silicone sealant is specially formulated to resist aging, UV radiation, mold and volatile chemicals.

Waterproof

Excellent Adhesion

Outstanding Flexibility

Superior Weather Resistance

Specification

OCI Series	Type	Colors	Packaging	Shelf Life
Orgasil 103	Acetic	Clear, Black, White, Grey	300ml/cartridge	12 months from the date of manufacture
N 193	Neutral			

Application

- Glass & window construction
- Double glazing
- Door frames
- Gutters
- Roofing
- Vents
- Aquariums
- Household appliances
- Air-conditioning
- Shower screens
- Sanitary Ceramics
- Bedding of marine hardware

ACRYLIC & SILICONE SEALANT

ACRYLIC & SILICONE SEALANT

ACRYFIL 788

Acryfil 788 Acrylic Sealant is a one part, **paintable**, high performance plastic-elastic sealant based on an acrylic resin dispersion.

— Ideal for **sealing cracks in concrete**, plasters, bricks, wood and other indoor sealing applications. It is odorless and does not corrode metals.

N193

OCI® N193 series neutral cure multi-purpose silicone sealants are one part room temperature vulcanizing silicone sealant.

— OCI® N193 silicone sealant is primer less adhesion to most materials and it is also not corrosive to metals.

ORGASIL 103

Orgasil 103 100% acetic silicone sealant is a high performance anti-fungus sealant suitable for sealing, bonding, repairing and mending of glass, double glazing in windows, and sanitary ceramics.

— It is also suitable for automobile and container sealing repair.

Specification

Waterproof

Excellent Adhesion

Outstanding Flexibility

Superior Weather Resistance

OCI Series	Type	Colors	Packaging	Shelf Life
Acryfil 788	Acrylic	Milky White, Dark Brown	450ml/cartridge	12 months from the date of manufacture
N193	Neutral	Clear, Black, White	300ml/cartridge	
Orgasil 103	Acetic	Clear, Black, White	300ml/cartridge	

Application

- Household appliances
- Filling skirting boards and walls
- Bedding of marine hardware
- Painted wood and eloxodated aluminium
- Cracks in concrete walls (**Acryfil 788**)
- Roofing
- Vents
- Door frames
- Gutters
- Air-conditioning
- Aquariums
- Double Glazing
- Glass & window construction
- Shower screens
- Sanitary Ceramics

SILICONE SEALANT

N192

OCI® Sealant N192 adalah sealant netral performa tinggi untuk penggunaan umum dengan daya rekat yang kuat.

Dapat langsung dipakai, tidak mengandung pelarut, tidak mengembang saat diaplikasikan, pengeringannya netral dan bermodulus sedang, serta penyusutan minimal selama masa pengeringan, dapat menempel pada semua material tanpa menggunakan primer atau pelapis tambahan serta tidak akan merusak metal.

OCI® Sealant N192 dapat diaplikasikan pada kaca, keramik, aluminium, fiberglass, kayu tanpa minyak, dan plastik (seperti poxies, polyester, polyacrylate dan permukaan yang tidak berpori lainnya).

E104

OCI® Sealant E104 adalah silikon asetat yang serbaguna, OCI® Sealant E104 dapat kering pada suhu ruangan, pengeringan berbasis asam asetat ini daya rekatnya semakin kuat, tahan cuaca dan elastis untuk aplikasi insulasi kaca dan penutup celah.

Sealant ini dapat langsung dipakai, tidak mengandung pelarut, umur simpan panjang, penyusutan minimal selama masa pengeringan.

OCI® Sealant E-104 dapat diaplikasikan pada ubin kaca, keramik, aluminium, seng baja, tembaga, kuningan, permukaan yang dicat plastik dan kayu tanpa minyak.

Aplikasi

- Konstruksi Kaca & Jendela
- Kaca Insulasi
- Kusen Pintu
- Talang
- Atap
- Ventilasi
- Akuarium
- Aplikasi Rumah Tangga
- Air-Conditioning (AC)
- Kaca Shower
- Sanitari Ceramics
- Pemasangan Perangkat Keras Kelautan

Tahan Air

Adhesi Kuat

Fleksibilitas Luar Biasa

Perlawanan Cuaca Superior

Spesifikasi

Seri OCI	Tipe	Warna	Packaging	Masa Simpan
